ASTHA DESAI

IT Student · AWS Cloud · Docker · CI/CD

+91 97731 54800 | Vadodara, Gujarat | asthadesai23245@gmail.com | linkedin.com/in/astha-desai | github.com/asthadesai24 | credly.com/astha-desai

PROFESSIONAL SUMMARY

IT student with hands-on experience in AWS Cloud, Docker, CI/CD, and AI integration. Skilled in cloud deployment and scalable application development, with strong leadership and problem-solving abilities.

WORK EXPERIENCE

Private Tutor 2023 – Present

EduShine Hub · Vadodara, Gujarat

- Taught personalized, one-on-one sessions using tailored lesson plans.
- Monitored academic progress and provided regular updates to parents.

Team Leader January 2026

Intuitive Hackathon, DA-IICT · Gandhinagar, Gujarat

- Deployed scalable applications and managed cloud storage using Amazon EC2 and Amazon S3.
- Configured and optimized high-performance, scalable databases using Amazon Aurora.

TECHNICAL SKILLS

Cloud Platforms: AWS Core Services (EC2, S3, Aurora, IAM, CloudWatch)
Programming Languages: C, Python, JavaScript, PHP, Node.js
Databases: MongoDB, AWS Databases
DevOps & Tools: Docker, CI/CD (GitHub Actions)
Other: AI Integration

PROJECTS

Heart Guard
github.com/asthadesai24/heartguard

- Built a containerized ML-powered web application for real-time heart failure risk prediction using Flask, deployed with Docker.
- Implemented CI/CD with GitHub Actions for automated testing and deployment.

DocSync Engine
github.com/asthadesai24/DocSync-Engine

- Developed an AI-powered documentation reconciliation engine to identify inconsistencies between application code and documentation, built on a MERN-oriented stack.

Healthcare Threat Forge
github.com/noSkcaHdat/myOnsite-Healthcare-ThreatForge

- Built a containerized healthcare security application prepared for AWS deployment using Docker, EC2, S3, IAM, and CloudWatch for security operations.

ACHIEVEMENTS

AWS Academy Contributor SVIT 2023 – Present

- Contributing to and coordinating AWS Academy activities at SVIT for 2+ years, supporting student cloud learning and hands-on training.

AWS Student Builder Group Leader SVIT 2026 – 2027

- Appointed as SVIT Student Builder Group Leader for the 2026–27 Cohort, leading student-focused AWS learning and community initiatives.

Student Builder Campus Leader (SBCL) SVIT

- Selected for the 6-week Student Builder Campus Leader program

Mock Placement Drive

- Secured 3rd Rank in the college-level Mock Placement Drive.

All India Level Sports

- Represented the University at All India University (AIU) level in Handball and Lawn Tennis.

CERTIFICATIONS

- AWS Certified Cloud Practitioner
- AWS Academy Cloud Practitioner (CCP)
- AWS Academy Generative AI Foundations
- AWS Cloud Quest Certification
- AWS Event Coordinator Certification
- Green AI Completion Certificate

EDUCATION

Bachelor of Engineering, Information Technology 2023 – Present

SVIT Vasad · GPA: 8.17 CGPA
